Hinsdale LED Overbed HDB Series

Features

The Hinsdale is a good solution for overbed applications. The fixture is available with or without a 4-position pull switch for direct and indirect lighting requirements. A night light is included with the fixture. The crown molding frame is made of real wood and available in Ivory, Taupe* and White finish. There is a frosted white bottom diffuser and clear acrylic top panel for indirect lighting.

Construction

The housing is die formed from 22-gauge steel and is provided with standard mounting holes and wiring access.

Finish

The frame is constructed in real wood and is available painted Ivory, Taupe* and White.

Diffuser

The top diffuser is made from .10" clear acrylic sheet and the bottom diffuser is frosted white .10" thick sheet.

Electrical

Input 120VAC / 60 Hz.
Not compatible with dimmers.
Integrated four position pull switch (on up, on down, on both, all off) and single pull switch for nightlight.

LED

Integrated LED modules capable of producing:
36W = 4050 source lumens total.
46W = 5400 source lumens total.
Rated for 50,000 hours, 3000K (CCT), 90 CRI.
Provides 50 footcandles of reading light over bed.

Certification

All fixtures are cETLus listed for indoor damp locations.

Options (Consult Factory)

120-277V universal voltage available without switch and nightlight.

Warranty

Limited warranty: This fixture is free from defects in materials and workmanship for a period of 5 years from date-of-purchase.
