Wadsworth Overbed WADB Series

Features

An economical, specification grade, senior care overbed light. The lamp compartment is fully enclosed with a linear prismatic lens and a solid front fascia. Provides both ambient and task light with a four way pull switch, standard (120 volt only). A LED nightlight and pull switch is included.

Construction

The channel is formed from 22-gauge steel and is provided with keyhole mounting slots and wiring access. Fixture can mount horizontally only. Power connections can be made in the fixture wiring channel or in a standard junction box (not included).

Finish

All metal parts are pre-finished in lighting grade baked white enamel.

Diffuser

Prismatic acrylic. Diffuser is captured to the fixture channel and held in place by the end caps.

Electrical

Input 120VAC / 60Hz.
4-way pull-switch is included.
Nightlight
Not compatible with dimmers.

Lamping

For use with (2) Type B, ballast bypass LED tubes.
(Lamps not included)

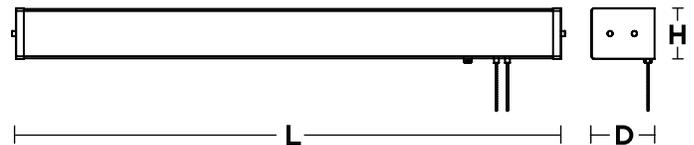

Certification

ETL listed for damp locations.

Warranty

Limited warranty: This fixture is free from defects in materials and workmanship for a period of 5 years from date-of-purchase.
